## DIARY OF THE WEEK

### A MELODIOUS MOMENT

A parade of Canada's brightest stars came out to support An Artists' Affair: Celebrating the Partnership of Arts & Health. This is the second year the Tafelmusik Baroque Orchestra & Chamber Choir, the University Health Network and the Al and Malka Green Artists' Health Centre have teamed up to support Tafelmusik's artistic activities and the Artist Health Centre Foundation at the Toronto Western Hospital. Gala co-chairs Dr. Michael Baker and Jeanne Lamon welcomed 400 glittering guests to the sold-out fete. Artistic producer Veronica Tennant organized an ambitious program with performances by ballet and opera stars set to orchestral arrangements that brought the crowd to their feet. Truly an exceptional evening. - AMORYN ENGEL
